D. Nairobi National Park - 1/2 Day

Visit the Nairobi National Park only a few kilometers from the city center and drive past the Kenyatta National Hospital and Kibera slums. Indeed the city adjoins the Nairobi National Park on the entire southern perimeter, so it is possible to photograph animals browsing peacefully among the whistling thorns. Some of the wildlife is migratory and when vegetation and water are plenty outside the park, they migrate out into the Masaai land through the unfenced southern boundary. There is also a resident population of plains game and predators so a visit at any time of the year is a rewarding experience. Well laid out, with well maintained roads, the Park within the city is an ecological model for all other cities geophysical and administratively. Of the big five, only the elephant is absent.

Recommended timings are 5.45 am-11.00 a.m. or 2.00pm to 7.00pm.

E. Wild Nairobi – 1/2 Day

Visit the baby elephant orphanage (only open between 11.00 am and 12.00 pm), kiss giraffes thereafter at the Giraffe Centre and visit the famous Matt Bronze gallery, and the Animal Orphanage. Combine this with lunch at Carnivore (approximately \$50 per person).

Recommended timings 10.00 - 3.30 pm

F. Best of Museums – 1/2 Day

Drive to the Nairobi Museum and also visit the adjacent Snake Park. The Nairobi Museum offers a tremendous wealth of Kenyan information and is a must for every visitor. There after visit the Railway Museum and drive through Centre Nairobi.

Recommended timings 10.00 - 3.00 pm Nairobi Heritage and Cultural – 1/2 Day (can be combined with wild Nairobi) to mark full day tour Drive to the Bomas of Kenya and visit the traditional homestead designs at the Bomas of Kenya . Thereafter visit Kazuri Beads a project supporting single ladies and then the Karen Blixen Museum.

Lunch may be taken at either the Tamambo or Talisman restaurant or the Galleria mall.

Recommended timings 10.00 - 3.00 pm

G. Nairobi Nightlife/ Nightclub Hoping -1/2 Night
